Need a venue for 6,000 guests only 35 minutes from Paris?

• Disney® Events Arena

a unique venue for a unique event

Total floor area of **6,500 m² (69,900 sq.ft)** with a capacity for up to 6,000 people, **ceiling height of 12 m** and **50,000 m² (538,000 sq.ft)** of outdoor space for your demos or temporary structures. Take over this versatile, spacious venue and put on a genuinely extraordinary event!

“In addition to its tremendous capacity, Disneyland® Paris offers the possibility of organising an event based on the total immersion of a business community during that time. Having everything on site (accommodation, catering, the Disney® Parks etc.) gave our guests a total experience. The private hire of one of the two Parks for an evening event was a real plus.”
